MEMORANDUM FOR: DAVID AARON

FROM: JESSICA TUCHMAN MATHEWS JTM

SUBJECT: Diversion of Nuclear Material to Israel

I have attempted to set up a meeting with the FBI to get briefed on what has happened since I last talked to them in July 1977. The FBI has informed Jerry Jennings that the investigation is still ongoing and since it is a criminal investigation they cannot brief me without instructions from the Attorney General. This is a little surprising since I don't remember having this trouble last time, but Jerry thinks that it could be handled relatively easily by your signing the attached note.

RECOMMENDATION:

That you sign the attached note to the Attorney General.
